Dear Jack:

I was thrilled to get your letter of October 6th and your wonderfully positive response to my request on behalf of Dr. Friedheim. Yes, indeed, I do think that chip is just the one that I would put on the table and I would love to be able to tell him right away that your check for \$150,000. is in the mail.

Keith Krueger has been in touch with me and I look forward to seeing you again before long at the NLM or elsewhere.

You have done many good things in your life (I don't know about any of the bad ones) but in any global accounting this will be numbered among your significant benefactions.

Yours sincerely,

Joshua Lederberg
